

Building newsflash number 383

Additional information sessions for AS 3959–2009—Construction of buildings in bushfire prone areas

Purpose

The purpose of this newsflash is to advise that three additional information sessions for AS 3959–2009 Construction of Buildings in Bushfire Prone Areas, will be provided in September 2009.

Background

[Newsflash 377](#) issued on 22 July 2009 provided locations and dates for information sessions on AS 3959–2009. Additional information sessions are now being presented by Australian Institute of Building Surveyors (AIBS) in conjunction with the Department of Infrastructure and Planning and the Department of Community Safety in September 2009. The information sessions will provide a general overview on the steps involved in applying AS 3959–2009.

The additional information sessions will be presented in various locations across Queensland on 1, 4 and 8 September 2009. Refer to the attached flyer for details of times and venues.

For additional details, final program and registration enquiries please contact the Queensland/Northern Territory chapter office of AIBS.
