Building Australia's Future conference 2009

Purpose

To advise that the next Building Australia's Future 2009 conference, presented by Australian Building Codes Board (ABCB), will be held at RACV Royal Pines Resort, Gold Coast.

Background

The conference will provide an opportunity for delegates to meet their interstate and international colleagues, to gain knowledge of current topical issues and to be exposed to techniques for the practical application of building regulatory requirements.

Sessions will run over three days from Monday 21 September until Wednesday 23 September. Formal conference registration will commence on the afternoon of Sunday 20 September. Key themes of the conference include:

- climate change—a moving target
- performance through innovation—meeting objectives and expectations
- energy efficiency—innovative software and future directions
- common BCA misinterpretations
- natural disasters.

Registration and further information

For further information please see the attached flyer or to contact the ABCB for registrations go to: www.abcb.gov.au/go/training/bafpapers
